Frustrated Unnoticed

Damone

I'm rockin a bmx bike
I'm rockin a muscle head car
I freestyle where ever I go woah-oh
I don't cry whenever I fallAnd I can run as fast as anyone I know
My heart is strong, I'll be the one who takes control
But it's no woah-woh woah-woh woah-woh
And it's no woah-woh woah-woh woah-wohI'm working at really cool jobs
I'm paving then I wash cars
I'm cleaning, I keep my hair long
So I play you a rock'n'roll songAnd I can run as fast as anyone I know
My heart is strong, I'll be the one who takes control
But it's no woah-woh woah-woh woah-woh
And it's no woah-woh woah-woh woah-woh
