

# Hold On to Love

Jon Anderson

There you have it  
You see this love regretting  
There's something wrong again  
But you had it in the palm of your hand  
Your heart has started bleeding  
You gotta get out if you're leaving  
You're on your own forever  
It's not the space or time or whether  
You can leave  
You want, you can't have  
You need, you can't touch  
You plead, it's enough, it's enough  
There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away  
Hold on to love  
Hold on to love  
Treat it as a good thing  
Be always ready with that electric feeling  
You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go  
Hold on, hold on  
Hold on, hold on  
The more and more  
You hear it  
The more it seems to make sense  
To hold love in the palm of your hand  
But you think that round the corner  
They're queuing up to hold her  
But that won't make a difference in the end  
There's never space or time or whether  
You can leave  
You want, you can't have  
You need, you can't touch  
You plead, it's enough, it's enough  
There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away  
Hold on to love  
There's nothing more important  
Treat it as a good thing  
Be always ready with that electric feeling  
You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go  
Hold on, hold on  
Hold on, hold on  
You work so hard

To be in love with her  
She tries so hard  
You gotta let it go Hold on, hold on  
Hold on, hold on  
Hold on, hold on Hold on to love  
There's nothing more important  
Hold on to love  
Don't let it pass you by Hold on to love  
There's nothing so important  
Hold it in the palm of your hand, yeah, yeah Hold on to love  
There's nothing more important  
Hold on to love  
Don't try let it pass you by Hold on to love  
Hold on to love  
Treat it as a good thing  
Treat it as a good thing  
Treat it as a good, good thing
