Any Kind Of Guy

Big Time Rush

Ha
Yeah
BTR
Ha Ha
(James)
Here I am
There you are
Why does it seem so far
Next to you is where I should be
(Where I wanna be)
Something I, want so bad
Know what's inside your head
Maybe I could see what you see
(Tell me what you see)
(Logan)
I gotta keep on believing
That everything takes time
I'll make up any reason
To make you mine
If you're staying or leaving
I'll follow your lead
So why keep pretending
Open your eyes
I can be what you need
(Chorus)
Any kind of guy
You want girl
That's the guy I'll be
Turn myself upside down
(Yes I will, yes I will)
Any kind of guy
You want girl
You know I'll agree
Turn your whole world around
(Yes I will, yes I will)
Any kind, any kind
Any kind of guy you want
You decide, change your mind
I will be there

Won't you try
One more try
Be my any kind of girl (be my girl)
You decide, it's alright
I will be there
(Carlos)
You seem so, hard to know
Say goodbye, say hello
Then you say that it's time to go (now it's time to go)
Changing my point of view
Every day, something new
Anything to get next to you (gonna get to you)
(Kendall)
I gotta keep on believing
That everything takes time
I'll make up any reason
To make you mine
If you're staying or leaving

I'll follow your lead
So why keep pretending
Open your eyes(open your eyes)
I can be what you need(oh!)
(Chorus)
Any kind of guy
You want girl
That's the guy I'll be(that's the guy i'll be)
Turn myself upside down
(Yes I will, yes I will)
Any kind of guy
You want girl
You know I'll agree(you know i'll agree)
Turn your whole world around
(Yes I will, yes I will)
Any kind, any kind
Any kind of guy you want
You decide, change your mind
I will be there (I'll be there)
Won't you try
One more try
Be my any kind of girl (be my girl)
You decide, it's alright
I will be there
(Kendall) Let me know, if I'm getting through
(Logan) Making you understand

(James) If it's wrong, I'll try something new
Don't look away
Cause I'm here to stay
If it's a game
Then I'm gonna play
(Chorus)
Any kind of guy
You want girl
That's the guy I'll be (that's the guy I'll be)
Turn myself upside down
(Yes I will, yes I will)
Any kind of guy
You want girl
You know I'll agree (you know I'll agree)
Turn your whole world around
(Yes I will, yes I will)
Any kind, any kind
Any kind of guy you want
You decide, change your mind
I will be there (I'll be there)
Won't you try
One more try
Be my any kind of girl (be my girl)
You decide, it's alright
I will be there
(Kendall) Bring it back
Any kind, any kind (any kind of guy)
Any kind of guy you want
You decide, it's alright
I will be there
