

# Inside of Me

## Eric Clapton

The point on the water, there's a chill in the air  
A vibe in the darkness, but there's nobody there  
I look for the reason but there's nothing to see  
Just the hole in my memory where my mind used to beTell me why  
Can I find no relief in my heart?  
I reside  
In a world that is falling apartOut of my mind baby, show me a sign, baby  
Show me a way, to get back on time  
Please where do we go, baby, how will I know?  
Who holds the key, is it hidden inside of me?But why should I worry and why do I care?  
When this road that I walk on is going nowhere  
I stand and I study every face in the crowd  
See the fear in their eyes, they must be thinking out loudTell me why  
Can I find no relief in my heart?  
'Cause I reside  
In a world that is falling apartOut of my mind baby, show me a sign  
Baby, show me a way, to get back on time  
Where do we go baby, how will I know?  
Who holds the key, is it hidden inside of me?Scratching the surface, it all looks the same  
A world full of anger with no one to blame  
But who can I turn to, who holds the key?  
And who has the answer? I think it's inside of meTell me why  
Can I find no relief in my heart?  
'Cause I reside  
To the world that is falling apartOut of my mind, baby, show me a sign, baby  
Show me a way, to get back on time  
Where do we go, baby, how will I know?  
Who holds the key, is it hidden inside of me?Out of my mind baby, show me a sign  
Show me a way, to get back on time  
Please where do we go baby, how will I know?  
Who holds the key, is it hidden inside of me?{All things considered it looks as though  
Utopia were far closer to us than anyone  
Only fifteen years ago, could have imagined}{Then, I projected it six hundred years into the future  
Today it seems quite possible that the  
Horror may be upon us within a single century}{That is, if we refrain from blowing  
Ourselves to smithereens  
In the interval}{Indeed, unless we choose to decentralize  
And to use applied science  
Not as the end to which human beings are to be made the means}{But as the means to producing a race of free

individuals

We have only two alternatives to choose from

Either a number of national}
