

# Marvelous Light

## Worship Together

Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth  
You are the life, You are the way I once was fatherless  
A stranger with no hope  
Your kindness wakened me  
Awakened me, from my sleep Your love it beckons deeply  
A call to come and die  
By grace now I will come  
And take this life, take Your life Sin has lost it's power  
Death has lost it's sting  
From the grave You've risen  
Victoriously Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth  
You are the life, You are the way My dead heart now is beating  
My deepest stains now clean  
Your breath fills up my lungs  
Now I'm free, now I'm free Sin has lost it's power  
Death has lost it's sting  
From the grave You've risen  
Victoriously Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth  
You are the life, You are the way Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth  
You are the life, You are the way Lift my hands and spin around  
See the light that I have found  
Oh the marvelous light  
Marvelous light Lift my hands and spin around  
See the light that I have found  
Oh the marvelous light  
Marvelous light Sin has lost it's power  
And death has lost it's sting  
From the grave You've risen  
Victoriously Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth

You are the life, You are the way  
Into marvelous light I'm running  
Out of darkness, out of shame  
By the cross You are the truth  
You are the life, You are the way  
Lift my hands and spin around  
See the light that I have found  
Oh the marvelous light  
Marvelous light, marvelous light
