

# Three Time Loser

Wilson Pickett

How many teardrops gonna fall tonight?  
How many heartaches must a woman have in one life?  
I lost a lover, lost a friend  
Through with love I just can't win. Three time loser  
Three time loser.  
One, two three in misery.  
Three time loser. How many hours your love I'm gonna wait?  
How many heartaches you really think I'm gonna take?  
I lost a lover, lost my friend,  
You were that kind, woh you will never win. Three time loser  
Three time loser.  
One, two three in misery.  
Three time loser. How many hours your love I'm gonna wait?  
How many heartaches you really think I'm gonna take?  
I lost a lover, lost my friend,  
You were that kind, woh you will never win. Lost my friend, you were in love, woh I'd a never win.
