

# I Want Your Love

Chic

I want your love, I want your love  
Do you feel like you ever want  
To try my love and see how well it fits?  
Baby can't you see, when you look at me  
I can't kick this feelin' when it hits  
All alone in my bed at night  
I grab m pillow and squeeze it tight  
I think of you and I dream of you all the time.  
What am I gonna do?  
I want your love, I want your love  
Sometime, don't you feel like you  
Never really had a love that's real?  
Well, here I am, and who's to say  
A better love you won't find today?  
Just one chance and I will show you love  
Like no other, two steps above  
On your ladder I'll be a peg  
I want your lovin', please don't make me beg
