

# Rock And Roll

## The Boswell Sisters

Rock and roll  
Yeah!Rock and roll, roll and rock away  
Up and down, round and round we sway  
We're the swell in the spell  
Of the rollin' rockin' rhythm of the seaRock and roll, roll and rock along  
My, 'tis sweet, greet it with a song  
While we dance there's romance  
In the rollin' rockin' rhythm of the seaTonight the moon hangs low  
Hold tight or overboard we'll go  
Rock and roll like a rockin' chair  
Laugh and smile while we drown each care  
In the tide, as we glide  
To the rollin' rockin' rhythm of the seaRock and roll, roll and rock away  
Up, down, round, round  
We're the swell in the spell  
Of the rollin' rockin' rhythm of the seaThat roll, roll and rock along  
My, 'tis sweet, greet it with a song  
While we dance, there's romance  
In the rollin' rockin' rhythm of the seaTonight the moon hangs low  
Hold tight or overboard we'll goRock and roll like a rockin' chair,  
Laugh and smile while we drown each care  
In the tide, as we glide  
To the rollin' rockin' rhythm of the sea  
Whoa-oh-oh, rock and roll like a rockin' chair  
Laugh and smile while we drown each care  
In the tide, as we glide  
To the rollin' rockin' Rollin' rockin'  
Is music to my ears  
The rollin' rockin' rhythm of the sea, oh
