

Jesus

Semi Precious Weapons

Her hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn
Her Hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn

Little Miss Couture
Was born in a thrift store
She makes 29 tops in 29 minutes
Gets tape and a shot
And then overcharges
She'll make your life a work
By simply screaming schwerk!
You might think she's crazy
But baby she's amazing

Her hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn
Her Hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn

Little Miss Couture
Was the best blackout hush !
She went to 29 bars in 29 minutes
Go in 34 cars
In the East village
She woke up on a roof
With just the gold on her tooth
You might think she's crazy
But baby she's amazing

Her hair, her hair
Her hair is on fire

She don't want no water
Let her fucking head burn
Her Hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn

She changes 29 lives in 29 minutes
She changes 29 lives in 29 minutes
She changes 29 lives in 29 minutes
She changes 29 lives in 29 minutes
You might think she's crazy
But baby she's amazing

Her hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn
Her Hair, her hair
Her hair is on fire
She don't want no water
Let her fucking head burn
Let her fucking head burn
Let her fucking head burn
Let her fucking head burn
