

Want You

V8 INTERCEPTOR

(V. Peterson)

I want you

I don't want to sleep, go on and speak

Wearing out the carpet with my feet

And I want you

I want you

You don't know how bad you've got me hooked

I hate myself 'cause you don't like my looks

I want you

I want you

Oh ah, oh ah

I want you

Everything's still playing in my head

I'm twisting and I'm crying in my bed

I want you

Yeah, I want you

It's not fair

I should be there too

With you

Here I am still trying to erase

Everything, your voice, your smile, your face

I want you

Yeah, I want you

Oh ah, oh ah

I want you

'Cause I want you

Yeah, I want you
