

# Storm Warning

Lyn Taitt

She rolled in from the west  
In a summer sun dress  
Hotter than the heat in July  
With her wind blown hair  
It just wasn't fair  
The way she was blowin' my mind  
Have you ever noticed  
Every hurricane gets its name from a girl like this  
She's a cat. five kind  
Keeps you up at night  
Hangin' on to the edge of a kiss  
She's a beautiful mess  
The kind you love to love  
But what happens next  
I got a feeling when the sun comes up  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a sign  
I'm gonna wish I had a little heads up  
Little lee-way, little more time  
Some kind of radar system  
Locked in on love  
I got a feeling by the time the night finds the morning  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a storm warning  
Ain't it funny how it feels  
When you're burning your wheels  
Somewhere between goin' and gone  
You get so lost that you can't turn it off  
You give in and you just turn it on  
She's a heart full of rain  
Red lips like a flame  
She's the girl from your favorite song  
What a beautiful mess  
One part angel, one part perfect, one part brick  
The kind of flood you'll never forget  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a sign  
I'm gonna wish I had a little heads up  
Little lee-way, little more time  
Some kind of radar system  
Locked in on love  
I got a feeling by the time the night finds the morning  
I'm gonna wish I had a storm warning

Ooo, Yeah I'm gonna wish I had a storm warning  
I'm gonna wish I had a sign  
I'm gonna wish I had a little heads up  
Little lee-way, little more time  
Some kind of radar system  
Locked in on love!  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a sign  
I'm gonna wish I had a little heads up  
Little lee-way, little more time  
Some kind of radar system  
Locked in on love  
I got a feeling by the time the night finds the morning  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a storm warning  
I'm gonna wish I had a sign  
I'm gonna wish I had a sign  
Or a storm warning
