

Quake

Quake

common push me towards the edge
don't ask just push me, pussy (pussy) haha.
it's just you verses victim, victim verses edge,
edge verses life and my life is full of crap,yo.
first of all i wanna thank you for all the pain,
and for drivin'me insane.
all the time u steared enjoyed the fear
minute 4 minute, day 4 day and year 4 year.
but guess,who's the one that will take a stand
who is the product of who's envoirement?so what? so what? u show my all the faults
that i will never find.
so what? so what? u try 2 fukk wit'my brain
'cause i'm one of your kind?
so what? so what? u show me all the faults
that i will never find.
so what? so what?so now you got me where you always wanted me. no time to rest,
cause all the time you tried 2 fukk with me.
no place to run to so what am i supposed to do?
turn around and give up just like a fool?
should i leave my path and walk yours instead? just the thought about it makes me mad !
i fled like a refugee until this moment of truth,
i got a loaded handgun don't make me shoot.
'cause i'm ready to blow up this god damn spot,
including ya eyes,ya head and ya punk ass guts!!!pay!pay!pay!i told ya there is no time for peace no more.
(do what i say with your eyes on the floor!)
i got no remorse. My soul's already lost.
ma youth was the prize, now the life is your cost.
(fukk you!) conversation's already done, i never thought
that payback is so much fun.
so throw your hands up in the air, oh,you wanna live?
why should i care ?
i analized your backbone,you're like an opened book.
you lil' son of a bitch and son of a crook,duck down!so what? so what?
it's time 2 break down these walls,you know what's up!!!
so what? so what?
fukk you!!!!!!!!!!
it's time 2 break down these walls,u know what's up!!!
so what? so what?!!!!!!!!!!
