Elevation

Eric Framond

How Am I Supposed To Think? Can I Feel? My Hands Are Numb, My Feet Oh No My Dick Is Dumb Elevation, Elevation, Elevation And The Rain Came Down Plucked My Sight What's In My Head Now? How Am I Supposed To Think Now? Any Day Now What Do I Feel When I Awake? I Feel So Low, I Said My Hands Are Numb, Where Am I From When I Am Lost? Like A Cheap Parlor Trick Slight Of Hand And The Blood Covers A Soul, My Feet Oh No, Elevation And Every Time I Get Up They're Pulling Me Down, Elevation I Said My Hands Are Numb, My Feet Oh No, Can't Get My Feet Up Off The Ground, How Am I Supposed To Think, now? I Said My Hands Are Numb, My Feet Oh No.
