

# Everybody Makes Mistakes (Re-Recorded Version)

Lacy J. Dalton

Break my hear-ear-eart - heart's dead broken  
Steel me bli-i-ind - money's just a token  
The stranger that I loved  
Was even stranger than he seemed  
The honesty I thought we had  
Was some crazy thing I dreamed  
Another b-grade movie for life's big silver screen  
But the king of hearts, he always takes a queenHooh-hooh baby  
Hooh-hooh baby  
Everybody makes mistakes  
Everybody makes mistakes  
Everybody makes mistakes  
Everybody takes and takesTake my love - love's for takin'  
Break my hear-ear-eart - a heart's for breakin'  
Strangers that we love  
Are often stranger than they seem  
The honesty we talk about  
Is someone's crazy dream  
Another b-grade movie for life's big silver screen  
But the king of hearts, he always takes a queenHooh-hooh baby  
Hooh-hooh baby  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes  
Everybody makes mistakes (every body makes mistakes)  
Everybody takes and takesEverybody makes mistakes  
Everybody makes mistakesEverybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody takes and takes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)  
Everybody makes mistakes (everybody makes mistakes)
