

My Moon My Man (Boyz Noise Classic Mix)

[Feist](#)

My moon, my man's a changeable land
Such a lovable land to me
My care, my co-lead barber I know
There's nowhere to go but upHow on my sleeve my beggar should be
The song's out of key again
My fools, my things
We're digging the things
If the candlelit page againTake it slow
Take it easy on me
Shed some light
Shed some light on things
Take it slow
Take it easy on me
Shed some light
Shed some light on thingsMy moon and me
Not as good as we've been
It's the dirtiest clean I know
My care, my co-lead barber I know
There's nowhere to go
There's nowhere to goTake it slow
Take it easy on me
Shed some light
Shed some light on things
Take it slow
Take it easy on me
Shed some light
Shed some light on thingsMy moon
The moon my man
My moon
The moon my man
My moon
The moon my man
My moon
The moon my man
