

# Cruel Cruel World

Prozzak

I saw you standing there  
I've seen your face before  
You don't know who I am  
But I could give you more  
You're laughing with your friends  
You tell them you're in love  
But you're not fooling me  
The joke is on yourself  
It's a cruel, cruel world  
When you're on your own  
It's a cold, cold heart  
That could turn you down  
It's a cruel, cruel world  
When you're on your own  
If you need a friend  
I could be the one  
But you don't know me  
Not at all  
I looked for you today  
You're nowhere to be found  
I wonder if you're okay  
There's something going round  
Maybe, you moved away  
You looked a little down  
When I saw you last Sunday  
When I didn't make a sound  
It's a cruel, cruel world  
When you're on your own  
It's a cold, cold heart  
That could turn you down  
It's a cruel, cruel world  
When you're on your own  
If you need a friend  
I could be the one  
But you don't know me  
Not at all
