

Trust In You

[Lauren Daigle](#)

Through the eyes of man it seems there's so much we have lost
As we look down the road where all the prodigals have walked
One by one the enemy has whispered lies and led them off as slaves But we know that you are God
Yours is the victory
We know there is more to come
That we may not yet see So with the faith You've given us
We step into the valley, unafraid, yeah As we call out to dry bones
Come alive, come alive
We call out to dead hearts
Come alive, come alive
Up out of the ashes let us see an army rise
We call out to dry bones, come alive God of endless mercy, God of unrelenting love
Rescue every daughter, bring us back to wayward sons Then by Your spirit breath upon 'em
Show the world that You alone can save, You alone can save As we call out to dry bones
Come alive, come alive
We call out to dead hearts
Come alive, come alive
Up out of the ashes let us see an army rise
We call out to dry bones, come alive So breath, oh breath of God, now breath, oh breath of God
Breath oh breath of God, now breath
Breath oh breath of God, now breath oh breath of God
Breath oh breath of God, now breath As we call out to dry bones
Come alive, come alive
We call out to dead hearts
As come alive, come alive
Up out of the ashes let us see an army rise
We call out to dry bones, come alive
We call out to dry bones, come alive Oh, come alive
