

# Truth And Consequences (Going Public )

## Newsboys

Poster child for the Christian single  
Dumped on more than a birdhouse shingle  
Tired of the same old crowd, she starts to  
Mingle where she don't belong  
All God's bachelors hanging in a bunch  
Wolves in Wool-lite beat 'em to the punch  
Score another knockout, barely bought her lunch  
What went wrong? Let's talk about real life  
Truth and consequences  
And coming to our senses  
And lies we'd best unlearn Let's talk about real love  
Truth and propaganda  
Are you really gonna stand for  
Love that waits its turn? I am the voice of the male agenda  
Sensitive, strong or shy, I tend to  
Act anyway that would possibly send you  
Somewhere we can be alone You're so sure I'm a would be Christian  
Suckered by the "Untamed Heart" condition  
Love that feminine intuition  
Seen that movie, too Let's talk about real life... Ok, ok, ok - you've got me  
Figured out, I'm a sham, I  
Never actually studied for the  
Priesthood. I've had lots of  
Destructive relationsps, and  
I know I don't deserve  
Someone like you anyway. It's  
Just, there's this strange  
Purity about you... almost a  
Radiance. Maybe it comes from  
Your religious beliefs, I don't  
Know. I guess what I'm trying  
To say is, you're unlike any  
Woman I've ever met... is it  
Getting hot in here? Can I help  
You with that jacket? No, no, I know you've got to  
Go... Oh! No, it's nothing. I've  
Just got this really bad kink in  
My neck... you don't suppose  
You could just massage it a

Little, could you
