

# Gotta See Jane

## Golden Earring

Red light, green light  
Speedin' through the dark night  
Drivin' through the poundin' rain  
I gotta see Jane  
Windshield, wiper splashin'  
Splashin', callin' out her name  
Just gotta see Jane  
I left her arms to find my way  
To find a place for me in the world outside  
I wasn't alive, I could not survive  
The frantic pace, the constant chase  
To win the race, turned my heart cold inside  
I gotta find what I left behind  
Red light, green light  
Speedin' through the dark night  
Drivin' through the poundin' rain  
I gotta see Jane  
Freeway, byway  
Tearin' up the highway  
Runnin' up a world insane  
Just gotta see Jane  
A town of steel that isn't real  
It could not feel what's in the heart of me  
I was so alone in a world of stone  
I missed her arms, that once held me  
That made me see, I was the lonely one  
But now and then I was runnin' scared  
And I could feel the touch of time  
Turnin' the wheel of life to yesterday  
When love and happiness were mine  
I gotta find that world of Jane and me  
Liked it used to be  
Oh, I gotta see Jane  
Her love for me I pushed aside  
Walked out alone  
To face a world turned cold  
Although I tried I could not survive  
The frantic pace, the constant chase  
To win the race, it's not a part of me

I've gotta find what I left behind  
Oh, I gotta see Jane, I gotta see Jane
