

It's My Time

Kelly Price

It's my time to rise
It's my time to shine
It's my time to live
It's my time to fly
It's my time
It's my time

I can see it
I can feel it
Time has come now to refill it
I've been waiting for a long time
I gotta do it
I won't let nothing hold me down
Gotta do it
'Cause I might not get another chance
I believe it
That I want it, I can have it
I believe it
Got me falling,
[..] I can do it
I think I'll tell myself again
That I can do it
And I am not gonna stop till I win

It's my time to rise
It's my time to shine
It's my time to live (It's my time to live)
It's my time to fly
It's my time (time)
It's my time

she is a diva, yeah
she is a diva full of drama
Don't believe
Everything that people saying
They got you twisting
So much fiction, so much bad
They got you twisted
And nobody ain't got time for that

See my moment has now arrived
And I won't let it pass behind
It's my time, yeah

It's my time to rise (oh, yeah)
It's my time to shine (ohh)
It's my time to live (my time to live)
It's my time to fly
It's my time
It's my time

I decided that I was born to be
Deep in love and happy
And my best days are still in front of me
Everything alright
Now, it's time for me

It's my time to rise
It's my time to shine
It's my time to live (it's my time to live)
It's my time to fly
It's my time
It's my time

It's my time to sing (it's my time)
It's my time to see
It's my time to be
It's my time to show
It's my time (my time)
It's my time (It's my time to)

It's my time to rise (It's my time to rise)
It's my time to shine (It's my time to shine)
It's my time to live (it's my time to live)
It's my time to fly
It's my time
It's my time
