One Step Closer

U2

Advisory - the following lyrics contain explicit language:

I'm 'round the corner from anything that's real
I'm across the road from hope
I'm under a bridge in a rip tide, that's taken
Everything I call my ownOne step closer to knowing
One step closer to knowingI'm on an island at a busy intersection
I can't go forward, I can't turn back
Can't see the future
It's getting away from me
I just watch the tail lights glowingOne step closer to knowing
One step closer to knowing
One step closer to knowing
Knowing, knowingI'm hanging out to dry
With my old clothes
Finger still red with the prick of an old rose
Well, the heart that hurts
Is a heart that beats
Can you hear the drummer slowing?One step closer to knowing
One step closer to knowing
One step closer to knowing
To knowing, to knowing, to knowingOne step closer to knowing
One step closer to knowing
One step closer to knowing
To knowing, to knowing, to knowing
