

Memory (Acoustic) (From Cats)

Epica

Midnight
Not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind begins to moanMemory
All alone in the moonlight
I can smile at your days
Life was beautiful then
I remember the time I knew what happiness is
Let the memory live againEvery street lamp seems to beat
A fatalistic warning
Someone mutters and the street lamp gutters
And soon it will be morningDaylight
I must wait for the sunrise
I must think of a new life
And I mustn't give in
When the dawn comes
Tonight will be a memory too
And a new day will beginBurnt out ends of smoky days
The still cold smell of morning
A street lamp dies, another night is over
Another day is dawningTouch me,
It is so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me,
You'll understand what happiness is
Look, a new day has began
