Lunar

Aashna Nanda

Your eyes are like the rings of Saturn
Your complexion is as beautiful as gold
And I canâ€™t stop thinking about how
I want us to be together even when weâ€™re old
Please let me know
Please let me know
Please let me know if you feel the same
So I know if I can stop chasing this dream

you always seem to be wandering in my dreams
your footsteps on my heart, it seems.
is it just me or is faith bringing us together?
would you let me be your saviour?

i see your face in the moonlight,
i think iâ€™m melting away.
my heart burns like an ember,
cuz you turn me to flames.

let me hold you forever,
i would tear myself apart,
let me hold you forever,
let me take hold of your heart.

Your eyes are like the rings of Saturn
Your complexion is as beautiful gold
And I canâ€™t stop thinking about how
I want us to be together even when weâ€™re old
Please let me know
Please let me know
Please let me know if you feel the same
So I know if I can stop chasing this dream

will you ever want me the way i want you?
tell me how you feel.
i donâ€™t know what to do as my minds consumed with the thought of you.
tell me is this real?
can we run away to a galaxy,
where,
itâ€™s just you with me?

can you find me a place,
in your bloodstream?
i wanna melt through your veins.

i see your face in the moonlight,
i think iâ€™m melting away.
let me hold you under the starlight,
i donâ€™t wanna wait another day.

Your eyes are like the rings of Saturn
Your complexion is as beautiful as gold
And I canâ€™t stop thinking about how
I want us to be together even when weâ€™re old
Please let me know
Please let me know
Please let me know if you feel the same
So I know if I can stop chasing this dream

let me hold you forever,
i would tear myself apart,
let me hold you forever,
let me take hold of your heart.

hold my hand in the moonlight,
can we melt away.
