

Walking Away (feat. Medy)

[Amro El Meligy](#)

Weâ€™re here tonight, But kinda apart
Itâ€™s killing me baby, It didnâ€™t go right
Iâ€™m feeling it, Iâ€™m feeling it
Itâ€™s not going alright

Theyâ€™re talkinâ€™ about it
And happy about it
Theyâ€™re makinâ€™ up stories
Weâ€™re so not used to that

Lights are gone, Weâ€™re falling apart
We used to be strong but not anymore
Letâ€™s call it a day, Iâ€™m walking away

Tonightâ€™s the night, Iâ€™m gonna make it right
Iâ€™m over it baby, Iâ€™m up for the fight
Iâ€™m feeling it, Iâ€™m feeling it
Iâ€™m getting better alright
Theyâ€™re talkinâ€™ about it
And crazy about it
Theyâ€™re makinâ€™ up stories
I got used to that

Lights are gone, Itâ€™s getting cold
The beat is strong, And Iâ€™m forgetting it all
Letâ€™s call it a day, Iâ€™ve walked away
