

One Night Man

[Ricky Martin](#)

[Foreign content]Come on
It's the story of my life, it's how it always begins
I see you once, I see you twice, I got a taste of paradise
It's not as easy as it seems when you have complicated dreams
So take me home, take me to the zone
Tonight, the story of my life, it's gonna be alright
Lady, I'm your one night man
Come with me and take a chance
You won't forget it, never regret it
I can promise you that
Lady, give me one last dance
Give me, give me, give me all you can
Suavecito, suavecito
Lady, I'm your one night man
I'm the one, I'm the one night man
I'm the one, I'm the one night man
It's the way it has to be, I know it's hard to understand
And while it breaks my heart to leave somehow you've got to believe
I will remember now and forever this precious time that we spend together
So take me home, take me to the zone
Tonight, the story of my life it's gonna be alright
Lady, I'm your one night man
Come with me and take a chance
You won't forget it, never regret it
I can promise you that
Lady, give me one last dance
Give me, give me, give me all you can

Suavecito, suavecito, lady
I'm your one night man
[Foreign content]Just one night
[Foreign content]Let me give you all my love
One night man, just one night
[Foreign content]One night man
[Foreign content]Lady, lady I'm your one night man
Lady, lady I'm your one night
Lady, I'm your one night man
Come with me and take a chance
You won't forget it, never regret it

I can promise you that
Lady, give me one last dance
Give me, give me, give me all you can
Suavecito, suavecito, lady
I'm your one night man
Lady, I'm your one night man
Come with me and take a chance
You won't forget it, never regret it
I can promise you that
Lady, give me one last dance
Give me, give me, give me all you can
Suavecito, suavecito, lady
I'm your one night man, baby, baby
