

Slow Down

The Jam

Well come on pretty baby
Won't you walk with me
Come on pretty baby
Won't you talk with me
Come on baby
Give me one more chance
Try to save me and our romance
Slow down
Baby,
I'm not movin'away too fast
You better give me a little love,
Give a little love
Baby what I love the best
So I used to walk you home
Baby after school
Carry your books home too
And now you got a boyfriend
Down the street
Baby what you tryin' to do?
You better slow down
Babe,
I'm not movin'away too fast
You better give a little love,
Give a little love
Baby what I love the best
Solo
So your a little lover
Tell the way I do
Come on pretty baby
Walk two by two
I'll let you love me
Your so fine child
The best woman I've ever had
Slow down
Babe,
I'm not movin'away too fast
You better give a little love,
Give a little love
Baby what I love the best

Slow down
Slow down
Slow down
Slow down baby
Slow down
Slow down
