Kung Fu Fighting

Sam Concepcion

Coz everybody is Kung Fu Fighting
Your mind becomes fast as lightning
Although the future is a little bit fright'ning
It's the book of your life that you're writingYou're a diamond in the rough
A brilliant ball play
You could be a work of art
If you just go all the way
Now what would it take to break
I believe that you can bend
Not only do you have to fight
But you have gotta winCoz everybody is Kung Fu Fighting
Your mind becomes fast as lightning
Although the future is a little bit fright'ning
It's the book of your life that you're writingOoooooouuhhhYou are a natural
Why is it so hard to see
Maybe it's just because
You keep on looking at me
The journey's a lonely one
So much more than we know
But sometimes you've got to go
Go on and be your own heroCoz everybody is Kung Fu Fighting
Your mind becomes fast as lightning
Although the future is a little bit fright'ning
It's the book of your life that you're writingYou're a diamond in the rough
A brilliant ball play
You could be a work of art
If you just go all the way
Now what would it take to break
I believe that you can bend
Not only do you have to fight
But you have gotta winCoz everybody is Kung Fu Fighting
Your mind becomes fast as lightning
Although the future is a little bit fright'ning
It's the book of your life that you're writing
