Tokyo

Chico y Chica

I am Tokyo, I am here
I am blazing lights on your street
I'm an upstart, bound to cross you
I'm the hypocrite by your side
She won't forget
And I won't forget
And no one around could tell us apart
'Cause we were one mouth and one robot heart
I am Tokyo, I am here
I am neon signs on your street
I'm an army of wind turbines
Marching over your countryside
She won't forget
And I won't forget
And no one around could tell us apart
'Cause we were one mouth and one robot heart
There's never enough time
Only, only a glare off rainbow bridge
Pin prick to the heart
Again and again, I felt every spark
She won't forget
A I won't forget
And no one around could tell us apart
'Cause we were one mouth and one robot heart
We're burning through town like there's nothing to lose
'Cause we were one mouth and one robot heart
