

You and I

Richard Poon

You and I will travel far together
We'll pursue our little star together
We'll be happy as we are together
We may never get to heaven
But it's heaven, at least to try

You and I are going on together
'Til the time we have is gone together
Watch the evening drawing on together
Growing older, growing closer
Making memories that light the sky

Chorus

That only time can make
That only love can make
That only we can make
You and I

We may never get to heaven
But it's heaven, at least to try
At least we try

(Repeat II)

(Repeat Chorus except last line)

You and I
You and I
