

# Glimpse of a Time

## Broken Twin

With a silver ring  
And a mind overage  
Did you come to belong?  
Did you look for the light?  
And did you feel the fire?  
Did it move you at all?  
What was I but a glimpse of a time? Time  
What was I but a glimpse of a time? Time  
In your life  
In your life  
I look through my mind  
But all that I find  
Is a permanent flow  
And it's written everywhere  
And it's running down my face  
But it's all that I know  
Did you run any risk  
Or believe in a sign?  
I might be underage  
But I'm losing my mind  
What was I but a glimpse of a time? Time  
What was I but a glimpse of a time? Time  
In your life  
In your life  
In your life  
In your life
