

It's a Hard Life

Queen

I don't want my freedom
There's no reason for living with a broken heart This is a tricky situation
I've only got myself to blame
It's just a simple fact of life
It can happen to any one You win, you lose
It's a chance you have to take with love
Oh yeah, I fell in love
But now you say it's over and I'm falling apart Yeah yeah
It's a hard life
To be true lovers together
To love and live forever in each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love I try and mend the broken pieces
(Ooh) I try to fight back the tears
(Ooh) They say it's just a state of mind
But it happens to everyone How it hurts (yeah) deep inside (oh yeah)
When your love has cut you down to size
This life is tough on your own
Now I'm waiting for something to fall from the skies
I'm waiting for love Yes it's a hard life
Two lovers together
To love and live forever in each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love Yes it's a hard life
In a world that's filled with sorrow
There are people searching for love in every way
It's a long hard fight
But I'll always live for tomorrow
I'll look back at myself and say I did it for love (ooh)
Yes I did it for love
For love, oh oh oh I did it for love
