

Uncle John From Jamaica

Vengaboys

8 o'clock get up, get outta bed
I feel like a truck ran over my head
Another day of stress and sorrow
Skip breakfast 'cause I gotta go
Ain't got no time to take it slow
And I will do my hair tomorrow
I can't take it no more

Oh, no, no, no

Is this what I'm living for?
But my Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
My Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday

6 o'clock my job is still not done
The life I'm living ain't no fun
Too many days of stress and sorrow
My boss just won't give me a break
And this is more than I can take
Think I will quit this job tomorrow
I can't take it no more

Oh, no, no, no

Is this what I'm living for?
But my Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
My Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
I need a holi holiday
You need a holi holiday
We need a holi holiday
Everybody needs a holi holiday
But my Uncle John from Jamaica

Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
My Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
But my Uncle John from Jamaica
Keeps on calling every day
Just buy a ticket and take a
Summer holi holiday
