

# Whenever You Need Somebody

[Rick Astley](#)

I'll bring my love to you  
I'll bring my love to you I've been stood up, messed around and taken for a fool  
But next time 'round, I'm gonna change the rules  
And I don't care about the things that people say  
It's you I think about each and every day It's much too late for you to change your ways  
I can't keep holding on, expecting you to stay  
When you're all alone and if you're feeling down  
Call me, I'll be around Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you Lost inside your love, is where I wanna be  
I'm just asking you to spend some time with me  
Time and time you say, you wanna be free  
And you can have some fun, that's okay with me You will never know just how good I feel  
The joy inside of me makes me feel so real  
When you're all alone and if you're feeling down  
Call me, I'll be around Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you I'll bring my love to you  
I just wanna be with you  
I'll bring my love to you  
I just wanna be with you It's much too late for you to change your ways  
I can't keep holding on, expecting you to stay  
When you're all alone and if you're feeling down  
Call me, I'll be around Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you Whenever you need somebody  
I'll bring my love to you  
You don't have to say you love me  
I just wanna be with you
