Above You, Below Me

Badly Drawn Boy

Don't want to give, Don't want to steal
Don't want to be anything I'm not
You take answers I give questions, like some rolling, monologue
Want to be the one to say, that today could be the day
A pity to believe in what you know is what you knowI will, take you as you are
Please accept me as I am
Find your lonely life bizarre
Know it's above you, I know it's below meAlways someoneDon't want to live, life in your shoes
Don't feel I know the way
Feeling you, giving me, directions I don't need
Up and up, and round we go
First it's fast and then we're slow
Could you connect with my intellect?I won't take you as you are
Please don't take me as I am
Find your lonely life bizarre
You'll see this in love, you'll see this in li-ifeHold an all-year-round reception
For a love with no connection
Knowing you, knowing my, ignorance to more than life
Know it's above you, I know it's below meI will, take you as you are
Please accept me as I am
Find your lonely life bizarre
Know it's above you, I know it's below meI will, take you as you are
Please accept me as I am
There'll be something in the wind
To show us we're right, and tell us we're wrongI want to wake up
