

Dirty Dirty (Stripped)

[Charlotte Cardin](#)

I see the way, I see the way, the way you want her
You're not easily impressed, baby
I got more under my dress
But you won't twitch
I see she's got, I see she's got some thing I don't
You know I'm jealous in my head
'Cause you'd look so good in my bed
But you really like the bitch So I can cry for my age, my life and my face
And I will wash off all the dirty, dirty thoughts I had about you And I can cry 'cause I got so much she has not
And I will wash off all the dirty, dirty thoughts I had about you now
Wash off all the dirty, dirty thoughts I had about you
Maybe I'm young, maybe I'm too young to understand this
But you're a mess in your own ways
Let's mess it up together babe
I'm what you need
Who could I, oh, who could I be just to get to you
You should be ripping off my gown
Turning me on, you just send me down, down on my knees Pretty little tears
So I can cry for my age, my life and my face
And I will wash off all the dirty, dirty thoughts I had about you And I can cry 'cause I got so much she has not
And I will wash off all the dirty, dirty thoughts I had about you now
Wash off all the dirty, dirty thoughts I had about
And I can cry for my age, my life and my face I will wash off all the dirty, dirty thoughts I had about you
And I can cry 'cause I got so much she has not
And I will wash off all the dirty, dirty thoughts I had about you now
Wash off all the dirty, dirty thoughts I had about you
