Gotta Move On

Tamia

Every now and then I seem to get this funny feelin' When it comes to me and you Can't say how or when But your love keeps takin' over And I don't know what to doWell, I think that you oughta let me know what What you're gonna do, baby 'Coz time's wasting, baby, much too fast And I need to know if it's true So baby, let me know Baby, let me know if you want me I really wanna know if you want me And baby, if you don't tell me somethin' I gotta move on'Coz everybody need a little lovin' And you're the only one that I wanna be with I'm sorry if you don't tell me somethin' But I gotta move on Baby, understand

I need more than conversation

I need action from a man

'Coz I'll do all I can

To keep our love from goin' under

Now it's time you take a standWell, I think that you oughta let me know what

What you're gonna do, you're gonna do

'Coz time's wasting, baby, much too fast

And I need to know if it's true

So baby, let me know Baby, let me know if you want me

I really wanna know if you want me

And baby, if you don't tell me somethin'

I gotta move on'Coz everybody need a little lovin'

And you're the only one that I wanna be with

I'm sorry if you don't tell me somethin'

But I gotta move on Baby, let me know if you want me

I really wanna know if you want me

And baby, if you don't tell me somethin'

I gotta move, I gotta move'Coz everybody need a little lovin'

And you're the only one that I wanna be with

I'm sorry if you don't tell me somethin'

I've gotta move onWell, I gotta move, move on, gotta move

Well, I gotta move, move on, gotta moveBaby, let me know if you want me

I really wanna know if you want me

And baby, if you don't tell me somethin' I gotta move on'Coz everybody need a little lovin' And you're the only one that I wanna be with I'm sorry if you don't tell me somethin' But I gotta move on Baby, let me know if you want me I really wanna know if you want me And baby, if you don't tell me somethin' I gotta move on'Coz everybody need a little lovin' And you're the only one that I wanna be with I'm sorry if you don't tell me somethin' And I gotta move, move on Baby, let me know if you want me I really wanna know if you want me And baby, if you don't tell me somethin' I gotta, gotta move on'Coz everybody need a little lovin' And you're the only one that I wanna be with I'm sorry if you don't tell me somethin' Baby, the only one I wanna be with Baby, let me know if you want me I really wanna know if you want me

Gotta move

'Coz everybody need a little lovin'
And you're the only one that I wanna be with
Gotta moveBaby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
Gotta move
'Coz everybody need a little lovin'
