

Q-ball

Sublime

And I'm through, gonna fuck with you
Then I say what the fuck with you?
And I'm out for the nine duce niggas
Comin' with, this is Nine Tre, still bad ass lynchin'
Muthafuckin' Q ball and my nigga brad
With the funky reggae style, check it out
Bad ass, comin' once again, I'm a shock ya
Don't try to step, 'cuz I'm the rocker
Listen I'm the nigga, bad ass on the cut

Don't try to step, I'll shoot your ass, I'll go nuts
Steppin' is his strength, Q ball got somethin' to say
He's up next, White Chowder don't play
I come too dope, I'm kickin' the cash
Because I clash, I gash
The buck shots hit your ass when you duck
Nigga rains be supreme as I've been
And I've been thinkin'
