Tom & Bob

Blake Babies

Tom and Bob, they are cool
Should open a Tom and Bob school
Because then everyone could learn the way?
To squeeze fun out of every dayThey put bandannas in their hair
And they think in a way that's all too rare
At least from the parts where I come from
Which make Tom and Bob stick out
Like a silver thumb, like a silver thumbTom and Bob they are good
I wish everyone could be so good
They are cool but they aren't rich
They could be rich lived in a ditchIn a dream they came to me
Holding their arms for me to see
When I opened my eyes they weren't gone
And now we're gonna make some songs
We're gonna make some
