

Old Habits Die Hard

Air Supply

Seems just yesterday our lives had begun
As we went through life tryin to make it so much fun
Well I know that i'm still in love with you
Cause your one bad habit that I can't refuse
Old habits die hard old habits die hard Life's been strange to me since you've been gone
And it's so hard tryin to say that I was wrong
Well I know that i'm still in love with you
Cause your one bad habit that I can't refuse
Old habits die hard old habits die hard
Old habits die hard old habits die hard You know and I know that you can't live on memories alone
But there's just one memory that I'm thinkin of
Just one habit that I can't shake of it's you Old habits die hard old habits die hard
Old habits die hard old habits die hard
