

# The Voyager

## Alphaville

Now, she's touched the earth  
You feel her love  
Pouring down like an endless rain  
Of colors on your skin She descends out of the blue  
A breathless victor of time  
After more than a million light-years  
Preparing her comeback And she's rushing in from the outside  
On the crest of the seventh wave  
She's the crown of creation creating you The voyager  
Is here to stay  
The voyager  
She's calling all stars The voyager  
She's riding a rainbow  
The voyager  
Gives you the kiss of life The voyager  
The voyager  
The voyager  
The voyager  
Gives you the kiss of life Watch out  
You can't ignore what's going on  
When your visions are drying out  
Like the oceans from the underworld  
Oh, don't you know? Before you turn to stone  
You better head out for a royal trip  
To the ivory city-side And she's rushing in from the outside  
On the crest of the seventh wave  
She's the crown of creation creating you The voyager  
Is here to stay  
The voyager  
She's calling all stars The voyager  
She's riding a rainbow  
The voyager  
Gives you the kiss of life The voyager  
The voyager  
Gives you the kiss of life The voyager  
The voyager  
The voyager  
The voyager  
Gives you the kiss of life
