

Feels So Good

Remy Ma

We up in this room
And I'm puttin' it down on you
Now you're pushin' back at me
I don't want to let you leave
'Cuz baby girl, you feel so good
Little mama that thing is so good
Girl, the way that you movin' so good
I wanna do it again, do it again
Baby, stop actin' crazy, I'ma keep it real
See, I just need some one that gives me something I could feel
Have a little, small talk and a night on the town
It could all be yours if you go another 'round
Don't wanna lose you in it 'cuz the groove is in it
But it really don't matter long as you be in it
Boo, wat's gotten in to you, told you I got a interview
But you wanna get intimate, why you try to get in to it?
Baby, I know you got moves to make
But you ain't leavin' 'til I get another taste
I ain't ashamed to say you got a nigga open, babe
But I'ma need some more before you get away, oh
We up in this room
And I'm puttin' it down on you
Now you're pushin' back at me
Don't want to let you leave
'Cuz baby girl, you feel so good
Little mama that thing is so good
Girl, the way that you movin' so good
I wanna do it again, wanna do it again
Yeah, you pushin' further and I'm seeing that you lovin' it
I'm pushin' back and got you callin' out my government
Like reminisce, I'm really feelin' this
And I don't like to kiss but I really like ya lips
See, I'm tryna hold it but I can't control it
My mind is tellin' me stop but my body, it keeps goin'
You want me to stay and I wish, I could
Another day but tell me why I should?
Baby, I know you got moves to make
But you ain't leavin' 'til I get another taste
I ain't ashamed to say you got a nigga open, babe

But I'ma need some more before you get away, oh
We up in this room
And I'm puttin' it down on you
Now you're pushin' back at me
Don't want to let you leave
'Cuz baby girl, you feel so good
Little mama that thing is so good
Girl, the way that you movin' so good
I wanna do it again and again and again
It's so good, you can't even keep your hands off
So good, you feel you need to go and put ya mans on
You got ya blackberry off and your phone vibrating
And all you wanna know is why my legs keep shakin'
See, we both grown and I know when the feel is right
And wat you sayin' is makin' me wanna spend the night
And now, I'm focused and I'm open 'cuz you noticed me
And I was hoping you'd say, "Can I take you home with me?"
Baby, I know you got moves to make
But you ain't leavin' 'til I get another taste
I ain't ashamed to say you got a nigga open, babe
But I'ma need some more before you get away, oh
We up in this room
And I'm puttin' it down on you
Now you're pushin' back at me
Don't want to let you leave
'Cuz, little mama that thing is so good
And baby girl, you feel so good
Girl, the way that you movin' so good
I wanna do it again, wanna do it again
We up in this room
And I'm puttin' it down on you
Now you're pushin' back at me
I don't want to let you leave
'Cuz, baby girl, you feel so good
And little mama that thing is so good
And girl, the way that you movin' so good
I wanna do it again, wanna do it again, yeah
