# The Runaway (Square1 Remix)

## UNKLE

Never mind he whispered in my ear
Could have been anyone's mistake
Let's just press rewind from here
Call it quits for time's sakeRing me twice then I'll know you need me
Call me back right away
Somebody told me you've been thieving
You're losing sight of the lightWanna know wanna know why you're breaking even
Wanna know wanna know why you're breaking downFrom now on you'll sleep with one eye open
Keep your credit up hardly leave the house
They'll find you anywhere you're hiding
I see you won't get outWanna know wanna know why you're breaking even
Wanna know wanna know why you're breaking downBack home
You're found out
Back home
You're foundNow you're back home
You're found out
Back home
You're found
