

# Can't Satisfy Her

## I-Wayne

Seh, she flirt wid her boyfriend bredren  
Him have money and bling so she go to bed wid him  
Catch disease now it started spreading  
She start to seek penicillin, she's dying Mercy, please for life she begging  
When she hear to da morgue she heading  
Seh, she broke out at di age of seven  
She dancing before she reach eleven One man can't satisfy her  
She needs more wood for da fire  
Sex price getting higher  
Ah, more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire, sun is cool  
Burn di flesh, seller and the buyer Seh, she want ah man to take her to da movies  
Then another set to buy her pearls and rubies  
Seh, she nuh care bout cuts and bruises  
Dat's just da way she chooses Seh, she needs her man fi bring autumn  
Summer, winter, spring, cash  
Carnival, splash and sting cash  
New hair style, nails and bling cash  
She's doing business, just bring cash One man can't satisfy her  
She needs more wood for da fire  
Sex price getting higher  
Ah more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire burn  
The sex seller and the buyer Seh, she buy her bleaching cream fi get well brown  
Plus her chicken pill so she well round  
Seh, she ready fi try di L zone  
Seh, she sex wid pager and cell phone She, nuh know di Math, English, nor di spelling so fine  
All she know morning or evening or selling time  
See it now, look what happen  
Soft like ah cotton, flesh start to rotten One man can't satisfy her  
She needs more wood for da fire  
The sex price getting higher  
Ah, more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire burn  
The sex seller and the buyer Seh, she nuh care about her bwoyfren bredren  
Him have money and bling bling so she go bed wid him

Get disease, see it deh now it started spreading  
She start to seek penicillin 'cuz she's dying Mercy, please her life she begging  
When she hear to da morgue she heading  
Seh, she broke out at di age of seven  
She strip dancing and she just eleven One man can't satisfy her  
She needs more wood for da fire  
Said, the sex price getting higher  
Ah, more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire burn  
Da flesh seller and da buyer One man can't satisfy her  
She needs more wood for da fire  
Said, the sex price getting higher  
Ah, more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire burn  
Da flesh seller and da buyer One man can't satisfy her  
She needs more wood for da fire  
Said, the sex price getting higher  
Ah, more money she require House, car and land she desire  
So from di prostitution work she won't retire  
Flames and fire burn  
Da flesh seller and da buyer
