

# Summer Dress

## Red House Painters

Summer dress makes you more beautiful than the rest  
Loveliest girl that I know and the sweetest  
Spends her life inside, she thinks she isn't blessed  
Summer dress separates you from the rest  
Easiest days of her life have been spent  
Wonders if she is loved, if she is missed  
Says a prayer as she's kissed by ocean mist  
Takes herself to the sand and dreams  
Says a prayer as she's kissed by ocean mist  
Takes herself to the sand and dreams
