

Missed

Ella Henderson

You think you're missed,
Well let me tell you this,
The love I felt for you,
Has flown away And now you see,
What you've done to me
So all I can ask is why, why
You made us feel like one,
I should've known that you were wrong. Oh yeah, you did it on your own,
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I draw the line,
I wish you luck in life and goodbye You let me think,
That you were so so true
Lows, lies, truth cannot lie
You wanted to go,
From a high straight down to a low But all excuses here,
The reasons, they're, they're everywhere
Chasing rainbows can be fun
Been chasing you for so long Oh yeah, you did it on your own,
Now you got to go,
Oh no, I won't let you get me down,
You tried to hurt my feelings,
You stopped me dreaming,
But here I draw the line,
I wish you luck in life and goodbye
Oh
Ooh
