

Just a Little Bit

Etta James

I don't want much, no no
I just want a little bit
I don't want it all babe
I just want a little bit
Just a [unknown] little bit of your love Turn your lights down low
And, honey, slip me a kiss
Turn your lights down low, baby
Come on, I can't resist
I want to a [unknown] little bit of your love Oh, please right now honey
I can't wait now
Baby just gimme, just gimme a little bit of your love now
I don't want, please, can't wait now I want you forever
Not just for peace of mind [unknown]
Please say you never leave me baby
Not 'til the end of time
Oh just a [unknown] bit of your love
