

I Rejoice

[Matt Maher](#)

Underneath the shadow,
Underneath the shadow,
Underneath the shadow of Your ways.
Lord and King,
'Cause I've been

I rejoice,
I rejoice,
I rejoice,
I rejoice, in You.
In You.
I rejoice, in You.
In You.
In You.
I rejoice, in You.

Underneath the shadow,
Underneath the shadow,
Underneath the shadow of the cross.
You bore the cost,
A death has lost.

I rejoice,
I rejoice,
I rejoice,
I rejoice, in You.
In You.
I rejoice, in You.
In You.
In You.
I rejoice, in You.

Your arms spread out like eagle's wings.
His love brings out a wedding feast.
Your body and Your blood,
Are now. And we have become,
Your sons and Your daughters.

In You.
In You.

I rejoice, in You.

In You.

In You.

I rejoice, in You.

(In You...

I rejoice, in You...)
