

It's All Right with Me

Storm Large

It's the wrong time, and the wrong place
Though your face is charming, it's the wrong face
It's not his face, but it's such a charming face
That it's all right with me It's the wrong song, in the wrong style
Though your smile is lovely, it's the wrong smile
It's not his smile, but it's such a lovely smile
That it's all right with me You will never know how happy i am that we met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Don't you want to forget someone, too?
It's the wrong game, with the wrong chips
Though your lips are tempting, they're the wrong lips
They're not her lips, but they're such tempting lips
That, if some night, you are free
Then it's all right, yes, it's all right with me. You will never know how happy i am that we met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Don't you want to forget someone, too?
It's the wrong game, with the wrong chips
Though your lips are close to mine, they're the wrong lips
They're not his lips, but they're such tempting lips
That, if some night, you are free
Then it's all right, yes, it's all right with me.
