

Do Ya Thang

Rihanna

Ohhh Ohhh
Na na na na na na na na na na
Know I'm missing that kissing in the Rover
Boy what I'm feeling never feel it about another
I need you, why can't you come over
And you my lover
But I love you like a brother
Babe you know what at the end of the day
You are who you are
And I love you that way
Lust ain't love, if you know the difference
You ran a little game i got
Caught up in your feelings
We together like, ohhh
You know that I'mma do whatever I'm not gon' leave
This kind of love don't come easy
We don't care what they think babe
Promise we'll stay the same
Say that you stay right here for me
See I know you like being round chicks
And looking at hips, in a little outfit
Hey what can I say (What can I say?)
That's what I love about you babe (That's what I love about you babe)
Yeah, I don't ask 'cause I know you gon' lie
You're way too sexy, to ever be shy
Hey What can I say (What can I say?)
That's what I love about you babe (That's what I love about you babe)
Go 'head
Do ya thang, do ya thang, do ya thang
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
You the shit
Yeah, baby you the bomb
Middle of the day

Gimme what I want
It feels so special
It feels so good
And he ain't going nowhere even if he could
I got that ow, ow
You know what I'm talking about, 'bout
Make a nigga scream and shout, shout

Every time the lights go out, out
We ow, ow
Ohhh

You know that I'mma do whatever I'm not gon' leave
This kind of love don't come easy
F--k what you think, babe
Promise we'll stay the same
Say that you stay right here for me
See I know you like being round chicks
And looking at hips, in a little outfit
Hey what can I say (What can I say?)
That's what I love about you babe (That's what I love about you babe)
Yeah I don't ask, cause I know you gon' lie
You're way too sexy to ever be shy
Hey what could I say? (What can I say?)
That's what I love about you babe (That's what I love about you babe)

Go ahead

Do ya thang, do ya thang, do ya thang
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Ohhh

And I know what you thinking of
That I don't know a thing about love
But what I know is I'm his girl
And he's the one for me
See this sh-t ain't worth tripping over
Do your thing, it doesn't matter
As long as we gon' ride forever
Love is all we need
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,

Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
Do ya thang, do ya thang,
Do ya, do ya, do ya thang
See I know you like being round chicks
And looking at hips, in a little outfit
Hey what can I say? (What can I say?)
That's what I love about you babe (That's what I love about you babe)
