

# Bad Ideas

## Saintseneca

Do I know that they know?  
Do they know that I know?  
Do I know that they know?  
Do they know that they know?  
Out among these burning crops  
What would salve the bottoms of

He who heals the heel  
Solely so the leg ends feel  
Tell me this if our sun is  
Arborist or arsonist  
There are those who sow  
There are those who kindle

Bad ideas  
Bad bad ideas  
That that I had

That I did

Do I know that they know?  
Do they know that I know?  
Do I know that they know?  
Do they know that they know?  
Fervor for this nothingness  
burns the words upon our lips  
Talking shit in tongues  
mingle in these sopping lungs  
Ah this descent to doom and gloom  
set before a tune for two

This last waltz is all  
These two left feet of my could ever recall

Bad ideas  
Bad bad ideas  
That that I had

That I did

Do I know that they know?  
Do they know that I know?  
Do I know that they know?  
Do they know that they know?
